

HEMP PAIN RELIEF CREAM

Analgesic pain relief within minutes!

Rheumatoid-OsteoArthritis
Neuropathy - Tendonitis
Sprains - Post Herpetic
Neuralgia - Fibromyalgia
Sunburn - Shingles
Menstrual Cramps
Mega Deep Penetration
Nutritional to skin & nerves
Non Greasy-Quick Absorb
Anti Inflammatory
Analgesic

NEW! NOW available in easy application roll-on. A unique formulation combining natural herbal pain relievers with Hemp and Emu oils serving as carriers to allow deep penetration of the tissues. Frankincense, Clove, and other herbal actives form the basis of our pain relief cream. This formulation provides a dramatic analgesic effect that lasts for hours. Originally intended for Neuropathic pain, the benefits extend to those suffering from Arthritis, Shingles, Myositis/Fibromyalgia, tendonitis, and menstrual cramps. Useful adjunct in the treatment of Raynaud's and Acrocyanosis. Physicians report significant relief in Phantom Limb Pain patients, no more chronic burning pain. Also useful when combined with HempSense Natural Diabetic Cream--some diabetics regain sensation in feet with previously poor blood flow. Apply a finger width band to the nerves at the next nearest joint and at the corresponding level on the spinal cord for added benefit.

TOPICAL NERVE BLOCK

(see Back for Topical Nerve Block Diagram)

Apply to nerve roots feeding the painful area-see the chart for locales-this enhances the effect while providing lasting relief. Reapply after 15 minutes for persistent pain.

Always massage lotion deeply into targeted area until no more lotion remains visible on skin surface.

For limb pain, apply cream directly over painful area and apply a finger's width band around nearest joint closer to the body from where pain is located-stopping nerve transmission closer to the spine will decrease pain.

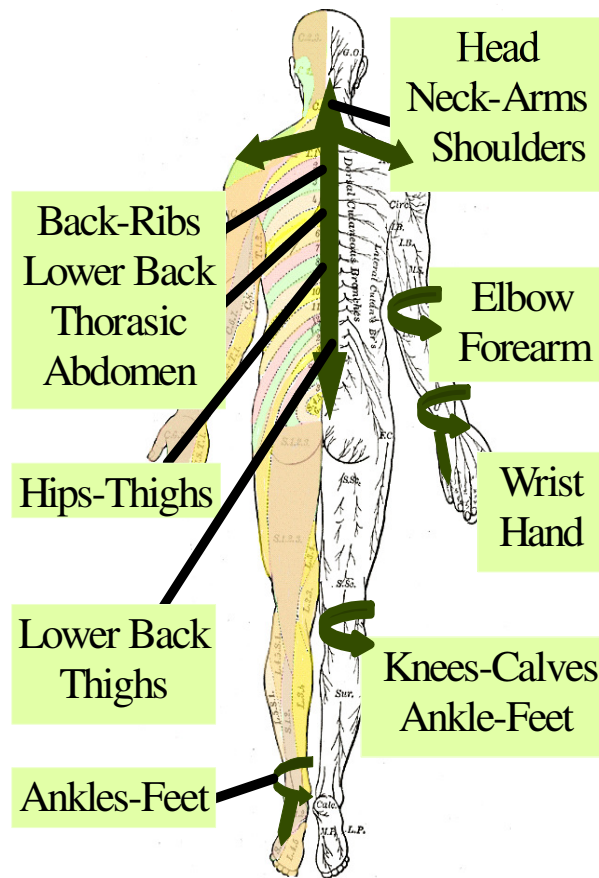

For all over relief apply to entire spine area.

HEMP DIABETIC CREAM

Enhances circulation and vasodilation.

- *Strengthens vessels
- *Supports Venous Arterial Blood Flow

Frankincense, Clove, and other herbal oils form the basis of our diabetic cream specifically formulated to address symptoms often associated with diabetes. Manufactured in our Hemp Seed Butter/Emu base, it provides anti-inflammatory relief to both the skin and the nerves in these individuals. We incorporate vasodilators—Oil of Ginger, Menthol, and Peppermint to relieve the symptoms of poor circulation and pain. We have also included L-Arginine and Vitamin K to support both the venous and arterial blood flow. Apply twice daily to the affected extremities and feel the difference!

HEMP MOISTURE CREAM

Non-Greasy Healing Moisture—Great for aged skin!

- *Heals - Moisturizes
- *Seals Skin's Natural Moisture Barrier

As with all our creams, this is made with 12% Hemp Butter naturally containing the highest volume of Omega-6, Omega-3, Alpha, and rare Gamma-Linolenic Acids. Hemp contains 57% linoleic (LA) and 19% linolenic (LNA) acids, in the three-to-one ratio that matches our skin's nutritional needs. These are essential nutrients that rejuvenate and moisturize skin cells while sealing the natural skin moisture barrier to prevent water loss. Healing extracts boost skin cell renewal with anti-oxidants providing the skin with a younger, softer, healthier texture & appearance. We also combine sunflower and grape seed oils with assorted herbal essential oils including Lavender and Peppermint. Designed to please the most discerning customers. 4 oz cream. Scents available include *Jasmine-by-the-Sea*, *Woodside Rose*, and *Unscented*

Talc FREE BODY POWDER with HEMP

Start your day fresh with Body Powder.

- *Silky * Soothing
- *Anti Inflammatory
- *Keeps You Fresh
- *Talc FREE

Our talc-free powder contains only natural ingredients including Lavender essential oils which soothe and protect—talc free silky smooth texture will keep you dry and feeling fresh all day, Hemp seed oil and essential oils combine to provide mild lasting fragrant protection throughout while protecting your skin. We combine Kaolin clay with arrowroot to wick perspiration from your skin while hemp seed oil stabilizes—relieving inflammation and cooling you throughout the day.

Available in **Medicated Body and Foot Powder** also.

HEMP MEDICATED PRODUCTS

Natural AntiFungal-AntiViral-Antiseptic

MEDICATED GREEN TEA CREAM WITH HEMP

Healing Antioxidant for all skin blemishes.

- *Minor Skin Irritations
- *Acne -Tinea - Fungal
- *Dry and Itchy Skin

Green Tea and Tea Tree Cream—antioxidant effects 200 times that of vitamin E from its Green Tea additive, enabling restoration of even the most damaged and inflamed skin conditions. Made in an Aloe and Hemp cream base, we've also included the oils of Evening Primrose and Grape seed along with other Essential oils. These provide you with a deep, penetrating, prolonged moisturizing effect. **TEA TREE** is antiseptic and anti-fungal, a soothing combination for dry, itchy or acne skin. Great for all of your skin care needs! 4oz . Use this with combination of our Anti-fungal Nail Balm Kit and Medicated Powder.

MEDICATED BODY AND FOOT POWDER

Works well with Medicated Cream.

- *Dry - Odor Free
- *Tinea - Anti Fungal
- *Hemp Oil - Vitamin E
- *Talc FREE

Defeats the fungal/viral elements living on your skin employing the anti-fungal/anti-inflammatory effects of Tea Tree oil to rid your skin and shoes of microbes and odor. Kaolin clay provides maximum absorption of moisture enhancing the antifungal effect. Combines peppermint, Tea Tree, hemp seed essential oils, and other herbals for added protection and maintenance of your epidermis. Deodorizes as well. Use daily and your skin will feel the difference! Apply all over for that fresh-all-day feeling!

ANTIFUNGAL NAIL BALM

Unique-1st of its kind on the market!

- *EZ to Use
- *Anti Fungal
- *Anti Viral

Our anti-fungal nail balm contains Neem, Tea Tree, Lemon Balm, and other herbal oils infused in bees' wax with Emu and Hemp Oils in a convenient push-up stick. Designed for easy, no mess application, this product will clear your nails of fungus without using any acids or harsh chemicals. Ease of application enhances patient compliance, **exceeds all other topical anti-fungals including Tineacide**. Why take pills? The kit includes 2 tubes of balm, a bar of glycerin based anti-fungal soap, along with instructions on how to use the products to achieve the results you desire—fungus free nails **NATURALLY!**
